1) The Orientation Phase will include a compulsory Mentoring. Registration and information see in MUKonline.

2) Because of the option to choose classes, the hours per week can vary. The required ECTS-workload has to be completed.

3) To ensure that all students are able to complete their curriculum successfully, there may be a compulsory registration in the Artistic Ensemble Practice lecture types even if the given ECTS-workload of the Artistic Ensemble Practice Module already is fulfilled.

4) ECTS and SWS of the respective courses are defined per semester according to the specified workload (see MUKonline).

### Compulsory Optional Module / Declaration:

For completing the compulsory optional modules students may choose between the following three options:

1. **Defined compulsory optional modules:** For the successful completion of a compulsory optional module a minimum of 6 ECTS-points has to be reached by passing the listed courses of the compulsory optional module (linked module). The listed courses are electable within the linked module. In accordance with the available resources the given compulsory optional modules may be attended repeatedly.

2. **Individual compulsory optional modules:** Students may create compulsory optional modules individually; they are required to submit title and content for approval to the study commission.

3. **Elective Courses:** Freely electable courses (no approval needed!) in order to complete the given ECTS workload.
